

Make your reports look as powerful as they are.

P3 now partners with Innovatemap* to bring you premium dashboard and interface design.

* Innovatemap is a premiere digital product agency. They specialize in user experience design and have years of experience making data both beautiful and usable.

Drive deeper engagement for greater impact.

Intelligent metrics are the essential output of BI, but it takes more to get teams engaged. A dashboard redesign helps share your work with more users on your team and drive critical usage.

“ Our existing reports were great, but the redesigns are next level. They’re really a source of pride for all of us - and much easier to use as well.

TREVOR HARDY @ CANADIAN FOOTBALL LEAGUE

Light dashboards are technically more usable, but dark look cooler. We can do both.
